

ENDURANCE[®]
Solid & Secure Composite Doors

PROTECT YOUR HOME WITH AN
ENDURANCE DOOR

Safety, Security & Style.

It all starts with an Endurance Door.

Renowned for their strength and security, an Endurance Door means you'll enjoy peace of mind every time you turn your key.

The 48mm thick solid timber core of an Endurance Door is up to 10% thicker than other doors on the market, a difference you'll hear each time you close your door. Whilst other doors may click shut, the reassuring clunk of an Endurance Door lets you know that your home is both safe and secure.

Each Endurance Door has a host of unique features that make it the most durable and hard-wearing door available. Designed to stand the test of time, your Endurance Door will require very little maintenance to keep it looking great for years to come.

Why Choose Endurance?

Safety, Security & Style.

✓ Your Door. Your Style

With over 85 stylish door designs, 19 colours and an amazing choice of glazing and hardware accessories within our range, you're sure to find the ideal fit for your home. Let our brochure be your source of inspiration before heading over to our online HomeView Door Designer.

✓ Solid to the Core

The core of an Endurance Door is made up of 17 crossed layers of engineered timber, giving them unrivalled strength and a reassuring feel of quality.

Choose an Endurance Door to make would-be burglars think twice.

✓ Built to Last

Every Endurance Door is made with an integrated Moisture Barrier Strip at the foot of the door. This unique feature means that the timber core of an Endurance Door is protected from water ingress, removing the risk of swelling or sticking.

✓ Secured By Design

Secured By Design is the official UK Police initiative supporting the principles of 'designing out crime'. The Endurance Door design achieves this standard when combined with laminated glass and the 3 Star High Security Federal UCF locking cylinder.

In order to meet this standard the Endurance Door range has been put through a series of rigorous tests, designed to replicate methods a burglar might use to gain entry to your home. Including:

- A manual attack on the locking hardware, including a crow bar and mole grips
- Unlimited number of 3 minute attacks on the door cylinder using a range of tools such as screwdrivers and craft knives
- 3 minute manual attack using chisels and brick bolsters to gain entry through the door
- Hard Impact Test - The door is struck with a 50kg steel impactor at its hinge and locking points

SLEDGEHAMMER-PROOF

We put the Endurance Door design to the test by attacking it with a sledgehammer.

Scan the above code with the camera on your Smartphone to see how we got on!

Locking Cylinder A

Our standard locking cylinder is anti-pick, drill and bump with a sacrificial cut included with our High Security Upgrade

High Security Multi-point Locking System B

Our Locking System is tested to Secured By Design specified PAS 24 Security Standards

Solid Timber Core C

48mm thick cross laminated solid timber core makes the Endurance Door the most solid and secure on the market

Moisture Barrier Strip D

Our unique moisture barrier strip is concealed within the foot of the door - preventing the Endurance Door from warping or swelling

Hardware Accessories E

Our Hardware Accessories have been rigorously tested to ensure their durability - so you can count on them to look great for years to come

Hard Wearing Door Skin F

CoolSkin® technology used to produce our door skins offers a realistic woodgrain texture whilst protecting against delamination, cracking, bowing or warping

PVCu Door Frame G

Our door frames are strong, secure and energy efficient. They are even made from environmentally friendly recycled plastic

Thermally Toughened Glazing H

Our range of stylish decorative glazing has been thermally toughened, offering the best in security whilst also looking beautiful

FEDERAL UCF Cylinder ★★

ENDURANCE
PREFERRED INSTALLER

You're in safe hands with our Preferred Installer Network

At Endurance Doors, we believe everyone has the right to feel safe and secure in their own home.

That's why our doors can be upgraded with the Federal UCF Locking Cylinder from Brisant, one of the most secure locking cylinders in the UK.

The clever locking system of the Federal UCF knows when it's being attacked, with a hidden locking mechanism that automatically engages to stop would-be burglars in their tracks.

Lock snapping has become the preferred entry method for UK criminals and the Federal UCF Locking Cylinder has another trick up its sleeve to keep burglars at bay. A sacrificial cut is used so that when the burglar grabs the end of the cylinder, just the tip snaps off, leaving more metal in front of the central locking mechanism as protection.

Having been tested to Sold Secure 'Diamond Grade' standards, the Federal UCF Locking Cylinder has achieved a level of security that far surpasses other locking cylinders on the market.

SNAP SECURE

ANTI-BUMP

ANTI-DRILL

ANTI-PICK

£1,000
SECURITY GUARANTEE

We are so confident in the unprecedented level of security offered by the Federal UCF Locking Cylinder used in our doors, that in the unfortunate event your home is broken into by means of snapping the cylinder, we will offer £1,000 in compensation.

Terms & conditions apply. See website for full details.

We only select the most talented installers to join our Preferred Installer Network, so you can be sure your Endurance door will be installed to the highest possible standard.

All of our Preferred Installers have full access to not only the most solid and secure composite doors in the UK, but to our knowledge and expertise, too. With one of our Preferred Installers, you can be sure of the best advice on choosing the right door for your home and the highest quality installation.

PREFERRED INSTALLER CHARTER

To ensure that our Preferred Installers reach our high standards they must meet the following criteria:

- Have a track record of installing Endurance Doors to our agreed fitting standard
- Have a clearly defined customer care policy that places the needs of the homeowner first
- Have clearly defined policies for monitoring service levels and handling complaints
- Have an excellent knowledge our products and are specialist Endurance Door installers

"I just love absolutely everything about my door.

From the style, the quality, the way the door has been fitted. It's just amazing."

- Karen

"The installation was such a smooth process. For a big job, it was done quickly and efficiently by people who knew what they were doing and were professional and friendly.

It was really easy!"

- Louise

"I would definitely recommend Endurance Doors to my family and friends. I have two of them at my current home and would definitely have them again at my next property."

- Mina

Get The Look: Classic & Captivating

Come home to an entrance that's brimming with period charm, when you choose a door design from our timeless Classic Collection.

Door Style - Bowmont

With its large glazed area, detailed panelling and authentic woodgrain finish the Bowmont is based on a traditional door design from the Victorian era.

Glazing Style - Riviera

One of our most popular glazing styles, Riviera is a beautiful triple glazed design with a combination of bevels, lead and textured glass. Fill your hallway with natural light whilst still maintaining your privacy with this classic design.

Colour - Pearl Grey

Give your entrance a contemporary edge by opting for a Pearl Grey finish. The pastel tone of Pearl Grey will give your entrance a sophisticated and luxurious appeal.

Hardware Accessories

Graphite accessories from our Classic range of hardware complement the pastel hue of the Pearl Grey door colour. The traditional Urn Knocker is a popular choice alongside any of our Classic Door Styles.

View our Classic & Captivating Style Guide online. Scan this code with the camera on your Smartphone to get inspired now.

The Country Collection

Our Country Collection features a range of traditional shiplap styles that look fantastic in earthy tones such as Pebble or any of our woodgrain finishes. You can also create a statement entrance with Duck Egg or Chartwell Green. These doors are ideal for bringing a charming, heritage feel to your home.

Stable Doors

Many of our stylish door designs are also available as Stable Doors. Visit our HomeView Door Designer to add some rural charm to your home.

endurancedoors.co.uk

Get The Look: Modern Country Chic

Add rural charm with a modern twist to your home when you combine a new door from our Country Collection with your choice of our contemporary grey colours.

Door Style - Rushmore Georgian Stable Door

The traditional Georgian style glazing bars and shiplap effect at the bottom of the door gives this design a truly authentic timber appearance. A stable door design will really enable you to make the most of your outdoor space.

Colour - Anthracite Grey

One of our most popular colours, Anthracite Grey can be used to perfectly complement more traditional materials like galvanized steel planters or terracotta pots.

Glazing Style - Clear

By opting for clear glazing you can add a personal touch to your home. Try dressing your door with your choice of accessories or blinds.

Finishing Touches

Complete your look by adding accessories to complement your home. Here, galvanised steel pots and an old fashioned milk pail have been used to complete the look.

View our Modern Country Chic Style Guide online. Scan this code with the camera on your Smartphone to get inspired now.

The *Urban* Collection

Lift your home into the 21st century with a contemporary door design from our Urban Collection. These doors feature clean lines and minimalistic styling to create an entrance that is both sleek and sophisticated. Complete the look by opting for a stainless steel pull handle from our range of Architectural Hardware Accessories.

Make the right first impression with an entrance that oozes minimalist style. The clean lines of the door designs from our Urban Collection coupled with a neutral grey or black colour and metallic door furniture will add an ultra modern feel to your home.

Door Style - Alto

The simple and understated detailing of the Alto design makes this door style the ultimate choice for adding a chic and minimalistic style to your home.

Glazing Style - Satin

Fill your home with natural light whilst still maintaining your privacy by choosing Satin Glass.

Colour - Anthracite Grey

Neutral greys and blacks are the ideal choice for your sophisticated Urban style entrance. The authentic woodgrain texture of an Endurance Door combined with an ultra modern grey will give your creation a high-end look.

Finishing Touches

Stainless Steel Pull Handles and Graphite coloured Door Accessories from our Architectural Range are the ideal way to complete this sleek and stylish entrance.

View our Sophisticated Luxe Style Guide online. Scan this code with the camera on your Smartphone to get inspired now.

Your Choice, Your Colour

Endurance Doors are available in your choice of 19 different colours, with the option to choose an alternative colour for the exterior and interior of your door. Most of our customers choose a white internal finish, but with so many different colours available the choice is yours.

We're also able offer perfectly matching door frames for most of our door colours too.

What is Your Colour?

You can try our entire range of door styles and colours on an actual image of your home on our HomeView Door designer. Head over to endurancedoors.co.uk to start experimenting now.

Eye Catching Glazing

Whether you're looking to create a light and airy hallway or a private entrance, our range of glazing options make it easy to achieve your desired look and feel.

All of our glass designs have been thermally toughened, resulting in a glazing range that is both strong and secure as well as stylish. With both traditional style and modern looking glass styles to choose from, you're sure to find a glass design that perfectly complements your chosen Endurance Door.
